

PiM ARTS HIGH SCHOOL

JOB POSTING

PiM Arts High School Mission: To cultivate, challenge and expand each high school learner's intellectual and expressive potential in a vibrant and socially diverse community of rigorous academics and performing arts.

Job Title: Science Teacher (Earth & Space Science, Physics, Science Electives), 1.0 FTE - 25-26 School Year

About PiM Arts High School:

Performing Institute of MN Arts High School is a tuition-free, public charter high school open to all students in grades 9 through 12 in the Twin Cities metropolitan area. Our rigorous performing arts and academic curriculum has provided a rewarding environment for student artists to grow.

Students are engaged each day in classes that challenge them to expand their academic achievement and their artistry. PiM Arts High School offers classes in Vocal and Instrumental Music, Theatre, Dance, Musical Theatre, Media Arts and Visual Arts with arts endorsement options in each area. PiM Arts High School has advanced level classes in all academic areas, with additional electives offered. Our program meets and exceeds all state mandates in academic provisions, while also providing artistic rigor with the fullest performance calendar of any four-year performing arts high school in the Twin Cities.

Qualifications:

- Minnesota 5-12 Secondary Science licensure required; experience in Physics and Chemistry *preferred*
- content knowledge/experience in multiple courses in the science curriculum
- Familiarity with current teaching/learning theories, state and common core standards, and differentiation
- Demonstrated preparation, skill and commitment to providing for the individual learning needs of all students
- Skill in using positive, constructive disciplinary approaches
- Experience in or willingness to cultivate the school mission through the integration of arts in the social studies curriculum
- Skill in establishing and maintaining positive relationships
- Varied interest/talents/experiences beyond the content area

Responsibilities:

- Instruct PiM Arts High School students in grades 9-12.
Courses may include:
 - Physics
 - Earth & Space Science
 - Forensic Science
 - Astronomy
 - Geology
- Plan and coordinate extra-curricular student activity
- Work with department colleagues on administrative elements of the Science department
- Additional duties as assigned by administration

Compensation: Based on qualifications
